# CAREER DAY

Thank you for volunteering for our Career Day. Here are a few guidelines as you prepare to come present.

**Save the Date!**  
**May 8th, 2025**

Please prepare to come early to set up on this day depending on your time. You will need to check in at the front office with your Drivers License or ID to receive a visitors pass.

## Set a Timer!

You will be presenting 3 times minimum to 3 different classes. Each presentation will be 30 minutes long with 10 minutes for questions. You will have 5 minutes inbetween presentations.

## What to Bring?

Unfortunately there is no access to the internet for your personal device, only through the teacher's computers. If you need to use the internet, you will have to ask the teacher who's room you are borrowing to access. You may bring a flash drive with your presentation. Any other materials /activities/souvenirs are always welcomed. Please make sure to have enough for the whole class (up to 24 kids each)

## What To Say?

Here are a few pointers to talk about for your career:

- What is your career
- What qualifications/education do you need
- What does your every day looks like
- Interesting stories you've encountered.

## LUNCH!

There will be time for each presenter to have an hour lunch. We will provide a refreshments station in the library for all presenters.

**A more detailed schedule with teachers and time frame will be sent out closer to the date.**
